

PUBLIC NOTICE

ThyssenKrupp Waupaca, Inc. Plant 6 has applied to the Tennessee Air Pollution Control Division (TAPCD) for approval of the new Phase 2 project of their Iron Foundry Operation located at 134 Waupaca Drive in the city of Etowah, McMinn County, Tennessee 37311. The proposed construction permit also includes a modification to their existing Phase 1 operation. The foundry produces gray and ductile iron castings such as brake drums and rotors, which are used by automobile manufacturers. This proposal will not result in air quality impacts that would exceed any ambient increment or air quality standards. No air quality impacts are expected at any Class I area as result of this project.

The project is subject to review under the state rule for Prevention of Significant Deterioration of Air Quality (PSD), Paragraph 1200-3-9-.01(4) of the Tennessee Air Pollution Control Regulations which requires a public notification and 30-day public comment period.

The TAPCD has reviewed the installation with respect to the above- mentioned regulations. The TAPCD has made the determination that the proposed construction can be approved if certain conditions are met. A copy of the application materials used by the TAPCD and a copy of the draft permit are available for public inspection during normal business hours at the following locations:

Etowah Carnegie Public Library

Interested parties are invited to review these materials and comment. In addition, a public hearing may be requested at which written or oral presentations may be made. To be considered, written comments or requests for a public hearing must be made within thirty (30) days of the date of this notice and should be addressed to Mr. Barry R. Stephens, P.E., Director, Air Pollution Control Division, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531. Questions concerning the source(s) may be addressed to Greg Forte or Younes Aleali at the same address or by calling (615)-532-0554. A final determination will be made after weighing all relevant comments.

Individuals with disabilities who wish to participate in these proceedings (or to review these filings) should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.
